Abruzzo Bianco DOC, Italy

ESTATE

Founded by Abruzzo native Gianni Masciarelli in 1981, Masciarelli and its wines have become the standard bearer for the Abruzzo region, and an inspiration to all emerging Italian wine regions. After a summer in Champagne, Gianni Masciarelli became convinced that world-class wines could be produced in Abruzzo, and through tremendous vision and non-stop innovation, Masciarelli became one of the most admired wineries in Italy.

WINE

Established in 1985 on the heels of the world class Villa Gemma Montepulciano d'Abruzzo, this wine was set to be the first premium white wine produced by the Masciarelli family. Made primarily using native grapes, the use of stainless steel was an innovation for the region and a revelation. The majority of what is produced is consumed in Italy, with nearly half in Abruzzo alone. Aromatic and lively, this is a wine created for the local food and people.
