Burgundy, France

### ESTATE

Chanson has extensive holdings of over 111 acres of exclusively Premier and Grand Cru vineyards in the heart of Burgundy. Both the estate holdings and contracted grower vineyards are 100% hand harvested by the Chanson team to tightly control picking time and grape selection. Chanson is obsessed with maintaining a consistent quality level across the entire range. The regional and village wines are produced with the same precision and care as the Premier and Grand Crus.

### VINEYARD

*Soil:* Clay and limestone

Chanson owns a vineyard of 5.4 hectares in Premier Cru "Les Vergelesses." The plot is located in a hollow at the bottom of the hill of Corton and its clay and limestone soil combination gives wines a very specific structure.

### WINEMAKING

*Variety:* 100% Pinot Noir

Chanson's approach to Villages, Premier and Grands Crus reds is characterized by minimal intervention, emphasizing the infusion of natural elements. Grapes are vinified entirely as whole clusters to achieve a deeper color and heightened structural and aromatic complexity. The fruit is hand-selected for optimal ripeness and quality, and, to preserve its fresh fruit characteristics, promptly chilled upon arrival in a proprietary tunnel that provides rapid cooling without exposure to oxygen. The process is completed with Champagne-style fractional pressing to extract only the purest juice, followed by extended aging for 17 to 19 months in barrel, with 30% new oak used in the process.

### VINTAGE

The winter was characterized by marked variations in temperature, while the spring had summer-like weather. A sudden and intense frost fell upon Burgundy early April and severely hit the buds that had formed on the vine. The months that followed were a succession of rainy and warm episodes. During summer there were warm and humid periods and the harvest started at Chanson on September 15, under a bright sunshine.

*"The attractive nose of black raspberries and sour cherries pulls you into this Pernand-Vergelesses that manages to be light-footed, concentrated and elegant all at once. And the structure is impressive for the vintage, the tannins ample, but well integrated and not a jot too dry. Long chalky finish. Just beginning to show what it's made of."* -S.P. 7/23
