

# FERRER BOBET

Bobet's vineyards have an exceptional slate soil, locally known as "llicorella," and a topography characterized by steep slopes and high elevations that guarantee optimal ripening and ideal night/day temperature fluctuations, fundamental for preserving flavors and acidity.

## Priorat 2015

Priorat, Spain

### ESTATE

Since its first release Ferrer Bobet, has been one of the most important (though perhaps the smallest) producers in Priorat. Ferrer Bobet is about respect. Firstly, the mutual respect of two friends, Sergi Ferrer-Salat and Raül Bobet and their passion for the world and culture of wine. Secondly, the respect for the long traditions of vine-growing and wine-making in Priorat and a commitment to the economic and social development of Priorat. Thirdly, and above all, the respect for the terroir and a dedication to producing wines that reflect the elegance, freshness, harmony and complexity of Priorat.

### WINE

Ferrer Bobet Priorat is the second vintage of a Priorat produced primarily from Ferrer Bobet's own vineyards. It fulfills the vision of elegance, freshness and detail that were the reasons for starting the estate. It is a Carignan based blend, based on low vigor and high quality rootstocks and clones, aiming for perfectly balanced vines.

### VINEYARD

The vineyards are managed in a way fundamental to the philosophy of Ferrer Bobet: the development of a strict organic viticulture which completely excludes the use of insecticides, fungicides and herbicides. Grapes are from steep slate hillsides and terraces and are picked by hand into small 10kg bins. They are then selected berry by berry on a double sorting table before being transferred to tanks by gravity.

Soil: Pure slate

WINE ADVOCATE

93

"The eponymous red blend 2015 Ferrer-Bobet looks for elegance and freshness as a way to express the character of the terroir. It's a blend of 55% Cariñena, 25% Garnacha, 15% Syrah and 5% Cabernet Sauvignon matured in French barriques for 12 months. The nose has tons of aromatic herbs, thyme and rosemary and even mint, coming through as aromatic and balsamic. It has a little more body than the 2016, but it's equally balanced, in a more powerful vintage. I like it as much as the 2016, even a tad more." - L.G., 12/2020
